1. I understand that although I am signing this document today, I intend for this document to be valid and binding now and at all times in the future when I engage in any or all of **The Activities** at any location.

2. **Consent to Assume Risks/Awareness of Inherent Risks of Equine Activities/Express Assumption of Risk.** I understand that anyone riding, driving, handling, working with, or even near an equine at any location can suffer bodily and other injuries. Among other things, equines are unpredictable by nature. For example, when frightened, angry, or under stress, the natural instincts of an equine are to jump forward or sideways, back up quickly, or run away from real or perceived danger by trotting or galloping. Equines also have the ability to kick, buck, rear up, spin around, strike, or bite. I know that equines can do these and other things without warning. I also understand that all equines, even if they have no history of hurting anyone, are powerful and have the potential to be dangerous to people, equines, and other animals.

I also understand that riding, driving, handling, working with, or even being near an equine can expose me to numerous hazards, which could include, for example, a danger or condition that is an essential part of an equine activity, including, without limitation: (1) The propensity of an equine to behave in a manner that may result in injury or death to a person who is on or near the equine; (2) The unpredictable reaction of an equine to sounds, sudden movements or unfamiliar objects, persons or other animals; (3) A hazardous surface or subsurface or other hazardous condition; (4) A collision with another animal or object; and (5) The failure of a participant to maintain control of an equine or to engage safely in an equine activity.

I understand these risks and dangers that are inherent in equine-related activities, and I agree to

assume all of them. I also understand that these are just some of the risks, and I agree to assume others that are not mentioned in this document. I am NOT relying on Association to list all possible equine-related risks in this document or any time, now or in the future.

The term "damages," as used in this document, means, for example, medical expenses, any and all claims or losses because of bodily injuries, mental/emotional injuries, or property damages, death, expenses, and/or personal property damages. This indemnification shall also include reimbursement of reasonable attorney fees incurred by **Association, The Released Parties**, or by others on their behalf.
