

Write a letter to a Veteran

Pony Express Letters for Veterans

The Reno Rodeo is celebrating their 100 year anniversary this year! As part of this celebration the Pony Express is participating on Patriot Night (Fri, June 21, 2019) and organizing a letter drive leading up to this event. These letters will later be delivered to veterans in the region. Please help us fill the mochila with lots of letters to deliver!

Your letter will be in support of a veteran who served our country. You may not know them personally but you can send a letter of thanks and support their service and sacrifice.

You may use your own stationary & cards or use of the Pony Express provided letterheads that you can download from the website to send your message to a veteran. These letters will later be stamped with a special Pony Express stamp and carried into the rodeo arena by the Pony Express and delivered to the Veterans Coalition.
